

SAFEGUARDING UPDATE - Parking Outside School

It has been brought to our attention that lots of parents are parking cars on the pavements around school whilst dropping off and picking their children up. We urge all parents, for the safety of the children, to not park on the pavements. Local Community Police Officers will be patrolling and checking the area around school during morning drop off and afternoon pick up. Thank you for your support and cooperation. Safeguarding our children is our number one priority!

Mr Heaton - Headteacher

Girls Football with the LFC Foundation

Our girls football team represented the school in a Premier League schools football tournament, run by the LFC Foundation at Anfield Sports and Community Centre on Tuesday 30th January. The girls played three matches facing Knowsley Village, Prescot & Our Lady Bishop Eton. The girls really enjoyed the tournament and they all played superbly. We are very proud of them and their achievements!

Enrichment Trip to the Tate Liverpool

Earlier this week our Pastoral Support Team organised an extra special visit for some of our Year 3 pupils to the Tate Liverpool. The children explored the displays of the national collection of modern and contemporary art, utilised the learning resources and received an expert gallery talk. The children had the opportunity to experience, first hand, the magnificent work of instrumental artists such as Roy Lichtenstein (one of the most important figures of the pop art movement).

The trip was organised in line with our whole-school curriculum map and this week some pupils have been exploring the work of another famous artist, Jackson Pollock who would've celebrated his birthday on Sunday.

Teaming up with Merseyside Police

Teaming up with Merseyside Police and Everton in the Community, 10 students participated in a litter pick around the school and were rewarded with tickets to watch Everton take on Leicester City. Under the floodlights of Goodison Park, the children enjoyed an action packed game of football with the match ending in a 2-1 win for Everton. All the pupils thoroughly enjoyed the game and on behalf of Florence Melly, we would like to say a massive thank you to Paul Burns and colleagues from Walton Lane Police Station for providing our school with the tickets. For one of our students, it was her very first Premier League football game and she had a fantastic time. In her own words "I was excited to be able to go and watch Everton for the first time. We were so close we could nearly touch the players, I will never forget it. The win made the long walk home in the rain much easier and I've already asked my dad for a season ticket."

NSPCC Number Day

A huge thank you to our pupils, parents and staff for supporting the NSPCC Number Day today! We have raised a great amount of money for such a worthwhile cause. The day was an overwhelming success and the pupils thoroughly enjoyed the range of maths activities put on by their teachers. The children made a real effort with their 'Dress up for Digits' outfits too! Mathematics is so exciting at Florence Melly! Please check out our Flickr feed for all the photographs!

We feel that a picture really does tell a thousand words and photographs are a great way to show all of the amazing activities that happen in our school. Why not check out our Flickr photo gallery. Flickr is a web based photo storage site, where all of our photographs are safely stored.

KEY DATES

6 Feb
Safer Internet Day with LFC at Anfield

6 Feb
Year 5 'BikeRight' Initiative

Our whole-school curriculum theme for this week was: **Global Citizenship**. Our pupils explored this theme during assembly time, during SMSC lessons in class and some pupils participated in enrichment visits to places of special interest.
