

THANK YOU FOR YOUR SUPPORT!

On parents evening, a large percentage of you completed the parent questionnaire and feedback form and we appreciate that you did. Your views are very important to us. We appreciate and value all feedback so that we can continue to improve the educational experience that we provide for your children. Please find the results of the questionnaire on our website. They were overwhelmingly positive and we thank you for that. Rest assured we will be working tirelessly to ensure that any concerns raised during parents evening are addressed. Please come into school to discuss any concerns that you may have. We are here to help and are always available.

World Down Syndrome Day 2019 #WSD19 #LeaveNoOneBehind

What a superb day we all had yesterday, celebrating World Down Syndrome Day and raising awareness! So many of our children 'rocked their socks' and showed their support by wearing odd socks. It was a pleasure to see. At Florence Melly we understand that our differences are what make us great!

World Story Telling Day

Wednesday this week was World Storytelling Day and what better way to experience and celebrate this than a visit to Central Library in the city centre. It was the first time for some of our Year 2 children visiting this amazing building. The children started off in the fantastic children's area where they thoroughly enjoyed having a search through the books and all found a book they liked. There was plenty of discussion about the children's favourite authors too. The children then decided where to go to read...the enormous spherical room has areas for everyone! A great choice! Quieter long seats around the edges, tables and chairs, beanbags and cushions; the children managed to try them all. The visit ended with a short trip to the top of the library. The children marvelled at the fantastic views from the rooftop of the library. From that height it was easy for us to appreciate our wonderful city. A memorable experience for all involved!

Gaudi Inspired Artwork

Earlier this week, 4M were given the opportunity to complete an art project with the artist Becky Barnett. They learnt about the famous artist Gaudi and linked their learning to their history topic about the Romans and their mosaics. They enjoyed creating their own mosaics.

Enjoying Vegan Food as part of our Vibrant DT Curriculum

Year 4 have been really busy this week as they rolled up their sleeves, put on their chef whites and fired up the cookers, making Vegan pasta! The children learnt about what a vegan likes to eat and really enjoyed a taste of Veganism. A huge thank you to Apple of my Eye - who provide the wonderful cookery experiences for our children.

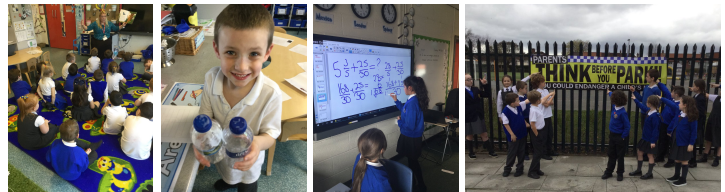

Free English Course for Parents

We are working closely with a local organisation called JM Education who are offering a FREE English course for parents at our school. Tuesday 26th March 2019 is the final chance for you to register onto the course. If you are interested please attend school at 1.15pm this Tuesday where you can speak to the experts at JM Education. For more information, please see Miss Campbell (our EHAT Lead) who has helped arrange this fantastic opportunity.

In Other News...

Every day is always action-packed and fun-filled here at Florence Melly. That is what we are all about...creating memorable experiences for our pupils. If you don't already, please check out our school Twitter feed as it is packed full of the activities we have been up to this week. You can follow us at @FloMellyNews.

Here are just a few of the things we've been up to...

KEY DATES

28/03/19
Cross-Country
City
Championships
at Wavertree

04/04/19
Enrichment Trip
to Liverpool
John Lennon
Airport
