

CHANGES TO OUR BREAKFAST CLUB!

Before the half-term we sent home a letter detailing some changes we are making to our breakfast club provision. On Monday, these changes will come into effect. There will now be a charge to attend the provision and the children will have to be escorted to the main entrance (via the main gate) to be signed in - except those children in Year 5 and 6 who have permission to walk to and from school alone. Also, the school gates will be locked until 8:40am. That means that parents and pupils will not be able to access the school site until this time - unless you attend breakfast club. On Monday we will have staff on hand to help support and assist pupils and parents with these changes. Thank you for your continued support.

Supporting our Local Community

Earlier this week, our Year 6 children spent some time at the L6 Community Centre wrapping Christmas gifts that will be given out to local families. The L6 Centre does so much to support families in our city and the children had a great time helping out. One of the children said that it was just like Santa's workshop. The children worked really hard and wrapped over 200 gifts. The staff at the centre were impressed and said that they could come back anytime. What a great way to demonstrate one of our core values (appreciation).

The Inauguration of the Junior Lord Mayors

Wednesday saw the inauguration of the Junior Lord Mayors at the Town Hall. The Florence Melly candidate travelled down with staff and family members. They were treated to food and drinks before they were called into the council chamber for the children to be sworn in as representatives. Certificates were awarded by the Lord Mayor, Right Worshipful Councillor, Anna Rothery. There was time for some photographs before getting back to school just in time for the bell. We are super proud of our very own Junior Lord Mayor!

Bringing our Curriculum Alive - Art and Design taking Centre Stage!

At Florence Melly we have a curriculum that encourages our pupils to have no limits to their ambitions. A curriculum that equips them with not only the minimum statutory requirements of the National Curriculum but prepares them for the opportunities, responsibilities and experiences of later life. A curriculum that uses the vibrancy of our great city to learn from other cultures, respect diversity, co-operate with one another and appreciate what they have. We enrich our pupils' time in school with memorable, unforgettable experiences and provide opportunities which are normally out of reach! This week, art and design was the curriculum area of choice for our Reception children who explored the artist Jackson Pollock and loved becoming artists for the day, making their very own drip paintings!

Working with Merseyside Police - Everton vs Spurs!

On Sunday, ten lucky children were selected to attend the Everton vs Spurs match at Goodison Park! In order to earn their tickets, the children teamed up with Merseyside Police and conducted a clean sweep around our school, in which they collected over five bin bags full of rubbish. The children were rewarded with tickets for the game for their hard work! The year 5 and year 6 pupils thoroughly enjoyed what turned out to be a thrilling, end-to-end and nail-biting game. It was a game filled with excitement with Everton equalising in the dying minutes. The game finished 1-1 and although Everton didn't managed to seal a win, the children still had a fantastic time! The behaviour of all children was exceptional and this was recognised by staff at Merseyside Police. A huge well done to everyone involved! Let's continue to keep the streets around our school clean!

Look at what else we've been up to this week! That's what we are all about at Florence Melly - creating memorable learning experiences for our children. Head over to our Twitter feed for more details.
