AN ENRICHMENT TRIP TO THE APPLE STORE!

On Wednesday, 5D spent a morning at the Apple Store in the city centre. The children were tasked with creating magic tricks using a range of apps and the results were phenomenal. Colleagues from Apple taught our pupils how to create videos that could: make a friend fall off a chair, turn their jumpers inside out and even make their teacher disappear, as well as many other fantastic tricks! It was a great experience and all children picked up a brand new skill. The session was inspired by filmmaker and YouTuber, Zach King! Head over to our Twitter feed to see some of the cool magic tricks the children performed and even watch Mr Derbyshire using his magic powers on his class!

Football Under the Floodlights - What a Game!

Earlier this week, ten lucky children were selected to watch Everton take on Newcastle under the floodlights at Goodison Park! In order to earn their tickets, the children teamed up with Merseyside Police and conducted a clean sweep around our school. The Year 5 and Year 6 pupils thoroughly enjoyed what turned out to be a thrilling, end-to-end and nail-biting game. Although Everton didn't manage to seal a win, the children still had a fantastic experience! The behaviour of all children was exceptional and this was recognised by staff at Merseyside Police. A huge well done to everyone involved! Let's continue to keep the streets around our school clean and please make sure all rubbish and waste goes into a bin!

Celebrating Squirrel Appreciation Day at Walton Hall Park

On Tuesday we celebrated Squirrel Appreciation Day by visiting Walton Hall Park with some of our Year 2 children. It was a cold and damp day so the children were wrapped up warmly but this didn't dampen their spirits though. The children used their best investigative skills, searching high and low, looking for the elusive creature. Nobody saw any squirrels on the day but they had so much fun finding other plants and birds on their way around the park.

Kwik Cricket Competition at Anfield Sports Centre

A group of Year 6 pupils took a break from their hard work in the classroom to take part in a Kwik Cricket tournament held at Anfield Sports Centre. The event, organised by the LFC Foundation, was a great success and a few of our pupils showed a real flair for the sport. Our team played exceptionally well, and were victorious in the majority of their games - well played Year 6! As ever, we thank the LFC Foundation for another well organised event!

An Enrichment Trip for Pie Appreciation Day

This Thursday marked National Pie Appreciation Day and to celebrate, we knew we had to visit one of our city's best loved pie shops. Some lucky Year 4 children went to the Homebaked bakery in Anfield to sample some of their award winning pies and they were not disappointed! Delicious hot chocolate to start with and then chicken and vegetable pies all round - with mash and gravy on the side of course! The food was delicious and the staff were so friendly, spending time with the children telling them about the origins of the bakery. A very informative and very tasty enrichment trip.

Meeting the Former Editor of the Beano

What a treat some of our pupils had earlier this week when they visited the Liverpool Central Library and met Tim Quinn, a former editor of the world famous Beano magazine. Tim spoke to the children about his job at Marvel and shared his vast experiences which included having an office in a skyscraper in New York City - WOW! Tim, who is originally from Crosby, really inspired our children and showed them what was achievable if they put their minds to it - epitomising our school's DREAMS Core Values! What a super day it was!

What an action-packed and fun-filled week we have enjoyed at our outstanding school this week! We could've filled this newsletter ten times over! That's what we are all about at Florence Melly - creating memorable learning experiences for our children. Head over to our Twitter feed for more details.

ATTENDANCE MATTERS

AT FLORENCE MELLY COMMUNITY PRIMARY SCHOOL

WEEK 3
SPRING TERM 1

It is really important that each child reaches our school attendance target of 97%.
Please make sure your child is in school and on time everyday!

24/01/20

THIS WEEK'S EYFS WINNER

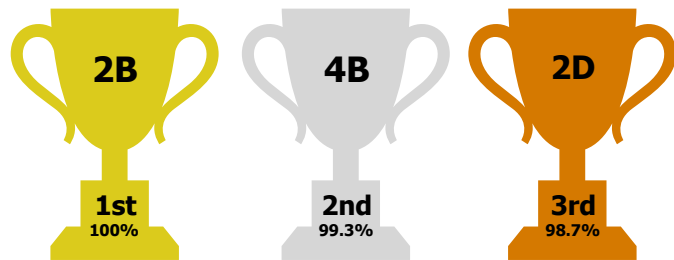

THIS WEEK'S KS1 WINNER

THIS WEEK'S KS2 WINNER

CLASS AWARDS

The winning class(es) will receive an additional playtime next week as a reward. Well done to 2B who won gold this week with a whopping 100%! Now that's impressive!
