

WORLD MENTAL HEALTH DAY 2021

This week we have continued to raise awareness around mental health across our school community in celebration of World Mental Health Day! Classes have come off timetable to explore this year's theme: 'Mental health in an unequal world' and some of our Year 6 pupils enjoyed a very informative session at Anfield with the LFC Foundation! It's ok to not be ok!

Mr Leach's Weekly Book Recommendation

This week, Mr Leach has read '[An Emotional Menagerie](#)' by the School of Life. WOW, what a beautiful book it is! An Emotional Menagerie is an alphabetical series of poems about emotions, characterising each as an animal. With attractive, expressive creatures, and colourful illustrations, it is a visually engaging way to explore emotional literacy! Mr Leach loved it that much he has bought every class a copy!

Fitness Training at Newsham Park - Recovering from Lockdown!

Is there a better way to finish off the week than by doing some after-school fitness training with Mrs Dentith, Mr Derbyshire and Miss Bear? We are so committed to improving our fitness levels after months of lockdowns and determined to develop great cross-country runners and a love of physical activity, that we provided an extra training session in the park! The children (and parents/carers) turned up in their masses and we were absolutely blown away by the uptake! Do you think the children enjoyed the session? We think the photos speak for themselves! Thank you to everyone involved, particularly our dedicated staff who gave up their time to provide this memorable experience for the children!

Celebrating Black History Month

Last week we encouraged you to pop back this week for an update on our eye-catching Black History display in our foyer area! Well here it is...and what a masterpiece it is! Bravo to our Year 5 team for pulling this [#BlackHistoryMonth](#) display together! This display is the first of our new approach, linking a theme to a whole host of high quality texts for the children to browse, read and enjoy! The display is so engaging we have even caught a parent or two have a flick through the books on offer!
