

FLORENCE MELLY COMMUNITY PRIMARY SCHOOL WEEKLY NEWSLETTER

CELEBRATING ANOTHER SPECIAL WEEK
AT OUR OUTSTANDING SCHOOL!

SUPERSONIC SCIENTISTS

All things 'Science' quite rightly dominates this week's newsletter as this week, we celebrated British Science Week in true Florence Melly style. Mr Mullin and Mrs Cotter have well and truly brought Science alive this week as our children have delved deep into the wonderful world of Science. We have had trips to the Catalyst Museum in Manchester, visits to the allotment, expert scientist workshops and talks plus a whole host of other amazing activities. Each year group explored a different significant scientist and produced work to contribute to a whole-school celebratory display! At Flo Melly, we are Scientists!

IMPORTANT DATES!

21/03/22

New Menu Taster Session with Junior Leadership Team

04/04/22

Cross Country City Championships at Wavertree

04/04/22

Parents Evening (letter with further details to follow on Monday)

ATTENDANCE MATTERS!

Year 4 (97.7%)

Nursery (97.2%)

Year 5 (96.9%)

Year 2 (96.7%)

Year 1 (96.3%)

Year 6 (95.7%)

Year 3 (94.2%)

Reception (92.0%)

95.4%
Whole-School attendance this week!

Our Year 1 Parent/Carer and Pupil Cookery Club

Our newest cookery club has got off to a superb start with our families and our budding chefs in Year 1 have been excited to welcome their parents into school every Tuesday, so they can cook up a storm together! The children have been delighted to demonstrate their primary knife skills and knowledge of the food they have learnt so far. Getting children involved in the kitchen and exposing them to a wide variety of foods is a really great way to promote a positive attitude towards food and a balanced diet. Cooking together as a family also sparks many a conversation and gives us confidence to try new foods as we grow up. A special thank you to our friends at @appleofmyeyep1 for making this all happen!

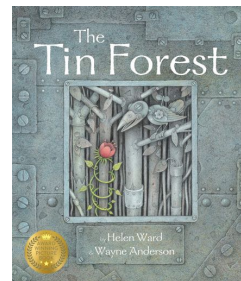

Congratulations Miss Jen!

A special Flo Melly shout out to our very own Miss Jen, who has volunteered and now leads workshops on the allotment, graduated this week from Hope University with a BSc with Honours in Nutrition. Whoop whoop! Miss Jen has worked so hard to achieve her goal. She dreamt it and she did it! We are all so proud of her! She will now register as an Associate Nutritionist.

Mr Leach's Weekly Book Recommendation

In keeping with the 'Science/Eco/Growth' theme, this week Mr Leach read 'The Tin Forest' by Helen Ward and Wayne Anderson. It is a heart-warming story about an old man who had a dream. But where there is a dream, hope can grow! This is the perfect picture book story and can be enjoyed by children of all ages! Enjoy...
